

we care

We reduce our energy consumption

- ✓ We turn off our neon lights from midnight to 6 a.m. every night
- ✓ Our bathrooms are fitted with equipment to reduce the water flow and therefore reduce water wastage
- ✓ We encourage low energy and LED lightning

We raise awareness among our team

- ✓ Our Planet Champion, Alejandro Boucabeille, insures the well development of our social and environmental actions in the hotel
- ✓ We ensure the good induction of our new employees and their well-being at work

We promote short circuit and biodiversity

- ✓ Our breakfast is reviewed to offer you fresher, healthier, more seasonal and palm oil free products. Let's start the day right!
- ✓ Our restaurant menu is made up of product from local producers. It includes vegetarian dishes and limits the consumption of red meat
- ✓ We have installed birdhouses to increase the number of places to lay nests during the winter

We lead social actions

- ✓ We offer you to participate to the "Good For Kids" program in partnership with the association Mécénat Chirurgie Cardiaque. Its goal is to operate and cure children with heart disease.
- ✓ We maintain a good gender equality index

We reduce our carbon footprint

- ✓ We contribute to the Accor's "Plant For The Planet" program which supports agroforestry projects in Europe
- ✓ We installed soap dispensers in every bathroom to reduce the amount of plastic used
- ✓ We sort paper, glass, plastic, food, oil and household waste
- ✓ We reduce all elements containing plastic as much as possible
